President and Director's Message

EDWARD L. FRENCH, Ph. D.
President and Director

To the Texas Graduating Class of 1967:

Four centuries ago, an English writer named John Heywood observed that, "A hard beginning maketh a good ending."

What he neglected to say, of course, was that the final result of any endeavor depends upon the personal effort put into it.

You are graduating, not because you have mastered a certain number of academic subjects or satisfied a pre-determined set of requirements, but rather because, in a very real sense, you are on your way to "a good ending." Your task now is to solidify the gains you have made during your stay with Devereux Schools, and to meet each new day's challenges in such a way that, many years from now, you will be able to look upon your life with self-respect.

May whatever path you choose to follow lead to the fulfillment that comes only from a life well lived!

Sincerely yours,

Edward L. French, Ph.D.
President and Director

Director of Development's Message

MR. JOHN BARCLAY
Director of Development
Devereux Schools

TO THE STUDENTS OF DEVEREUX SCHOOLS IN TEXAS

The years ahead hold many exciting challenges. The rewards awaiting the young man or woman who can successfully meet these challenges are many.

Hopefully, the insight, understanding and maturity you have gained at Devereux will stand you in good stead.

Please accept our continuing wishes, for it is in your personal success that all those who have devoted their careers to the work of The Devereux Foundation find their most meaningful rewards.

John M. Barclay

The Student Council was elected by the student body at an assembly in November. Candidates for positions on the council were given an opportunity to deliver campaign speeches at the assembly. The five students receiving the greatest number of votes were elected to the council. The successful candidates choose their offices at their first meeting. The Student Council was instrumental in securing the book racks for the center hallway and also sponsored the very successful and enjoyable historic picnic at Fannin Battleground.
